

Dear All

Over the past 6 months Kent Sport has been working with Tunbridge Wells Learning Disability District Partnership Group to develop a Sports Focus Group which has been working to assist in the delivery and development of Disability Sports in Tunbridge Wells.

This development has continued countywide with the recruitment of 2 specific officers to cover East and Mid Kent. The funding is available for a third officer for West Kent covering Tunbridge Wells but as yet this post has not been appointed.

The purpose of this e mail is to invite you to a meeting of the Tunbridge Wells Disability Sports Focus Group and discuss and take forward the action plan that has already been created. There will also be an opportunity to have your say on things that you would like to see happening in the area and become involved in the delivery of these opportunities.

The plan outlines how each of us can be involved at all levels to develop further sports opportunities for people with a learning disability.

It may be that you are a disabled person, a day centre officer, a senior leisure officer, a care organisation or a sports club that wishes to start offering sports opportunities for disabled people. We need your involvement to share information on current activity to those considering development or wishing to access local opportunities.

Opportunities on access to local funding will also be discussed

Please can you let me know of your attendance by no later than the 4th October. If you are unavailable but would like receive further information or support please let me know. If you would prefer not to be involved in this group and receive further information then please advise

The meeting will take place on Friday 8th October at the Town Hall in Tunbridge Wells at 10.00

Many Thanks

Paul Panton
Disability Sport Officer
Kent Sports Leisure & Olympics
